

Serenity Prayer

God grant me the serenity to accept the things I cannot change,
courage to change the things I can,
and wisdom to know the difference.

Preamble

"Alcoholics Anonymous is a fellowship of men and women who share their experience, strength, and hope with each other that they may solve their common problem and help others to recover from alcoholism.

The only requirement for membership is a desire to stop drinking.
There are no dues or fees for A.A. membership; we are self-supporting through our own contributions.

A.A. is not allied with any sect, denomination, politics, organization or institution; does not wish to engage in any controversy; neither endorses nor opposes any causes.

Our primary purpose is to stay sober and help other alcoholics to achieve sobriety."

We all would like to thank the administration and staff of the Occidental Lanzarote Mar Hotel for all of their help this last year in making this convention possible.

We hope you have had an enjoyable weekend and we hope to see you again.

Please consult our website www.aalanzarote.com for more information on next year's events.

Thank you for coming and sharing your experience, strength and hope with us.
Have a safe journey home.
"Vaya con dios!"

THE PROMISES

If we are painstaking about this phase of our development, we will be amazed before we are half way through. We are going to know a new freedom and a new happiness. We will not regret the past nor wish to shut the door on it. We will comprehend the word serenity and we will know peace. No matter how far down the scale we have gone, we will see how our experience can benefit others. That feeling of uselessness and self-pity will disappear. We will lose interest in selfish things and gain interest in our fellows. Self-seeking will slip away. Our whole attitude and outlook upon life will change. Fear of people and of economic insecurity will leave us. We will intuitively know how to handle situations which used to baffle us. We will suddenly realize that God is doing for us what we could not do for ourselves. Are these extravagant promises? We think not. They are being fulfilled among us – sometimes quickly, sometimes slowly. They will always materialize if we work for them. (AA Big Book pg. 83)
